

**K S RANGASAMY COLLEGE OF TECHNOLOGY
TIRUCHENGODE
LIBRARY**

**NPTEL VIDEO & WEB LECTURES (Developed by IITs) AVAILABLE ON
KSRCT DIGITAL LIBRARY**

Our central library has launched an online facility to access (view and download) the video and web courses developed by IITs , under the **NPTEL** (National Project on Technology Enhanced Learning) project.

These are all about various topics on engineering subjects, presented in HTML files and multimedia files.

Presently this facility is available in our Digital library, and soon it will be available any where in the campus.

WEB COURSES

The web courses are text and picture web files which can be viewed copied , using any net connected system in our campus.

The address to access the web course is,

<http://nptel-web>

type the above in the address bar in the browser , you will go to the web courses pages , then you can select the subject and topics . Then you can view / copy and download the web courses.
