Introduction

K.S.Rangasamy College of Technology (KSRCT), a premier institution located in a Tier-3 town, has established two pioneering incubation centres — the MSME Business Incubator (MSME-BI) and the Atal Community Innovation Centre – KSRCT Incubation Foundation (ACIC-KSRCTIF). These two Incubation centres takes lead role to promote innovation and entrepreneurship by converting and translating technology ideas and innovation in various disciplines of science and engineering into products, processes and services for commercial exploitation and the benefit of society to accomplish its goal. It facilitates incubation of new enterprises with innovative technologies by admitting them in and providing them physical, technical and networking supports and services. Incubation centres provides support to enterprises that fall under following categories

Category I:

Ventures that qualify as a nursery incubation project initiated by one or more members of the academic staff, students and/or alumni of one of the KSRCT or other premier institutes, or some other technology promotion agency (government or non-government) with a view to trying out a novel technological idea for upgradation to a commercial proposition, scaling up a laboratory proven concept, and setting up a technology business enterprise.

Category II:

Technology-based start-up company promoted by a 1st Generation Entrepreneur desirous of R&D partnership with the Institute or company with a view to trying out a novel technological idea for upgradation to a commercial proposition.

Category III:

Technology/R&D unit of an existing small/medium size enterprise, industry association or a R&D Company who desires to have close technology interface with KSRCT.

Category IV:

Ventures that arise out of innovation for the underserved people or community based innovative startups who are ambitious in starting any social enterprise on account of

relieving the painpoint of any oppressed community including tribal, women, Dalits, indigenous people etc.,

Admission to KSRCT Incubation Centres & Eligibility

KSRCT Incubation Centres is open to anyone who wants to make a difference. However, students of KSRCT both past and present will be given a preference in terms of priority of admission into the incubator and charges as running cost of the incubator. To promote rural & tribal entrepreneurship, KSRCT will reserve 50% of the occupancy for rural & tribal youth and women. Applicants must fulfill above criteria for making an admission in the KSRCT Incubation Centre, for incubation programme. Applications for admission to KSRCT Incubation Centre will be made in the name of registered unlisted companies within the meaning of the Companies Act, 1956. If a company has not been registered, an application may be made in the names of all promoters/ founders; however, the promoters/ founders must ensure that the company is registered within a period of four months from the date of approval of the application for admission in KSRCT Incubation Centre

Method of Application

STEP-1 - Submission of Application Form

- Initially, applicants for admission in KSRCT Incubation Centre will be required to apply with duly filled Application Form which can be downloaded from the website.
- While submitting application form, applicants will also disclose information on executive involvement of the promoters/ founders in other companies or commercial entities.
- Preference will be given to ideas making use of untapped / less exploited natural resources and for ideas aiming to find solutions that can improve the life and living conditions of the rural peoples.
- Submitted applications will be checked for,
 - Innovativeness
 - Commercial viability
 - Technical feasibility

- Social sensibility
- Scalability
- Capacity to trigger market traction
- Energy saving / green tech intervention / value addition / low cost alternative (in existing product / process-based ideas)

STEP-2 - Submission of Business Plan

- On receipt of the application, the Apex committee members will be invited to scrutinize the application form internally to evaluate the viability of the applicant as an incubatee.
- Based on affirmative assessment, applicant would then be required to submit a business plan for the first twelve months of the incubation period.
- The business plan is expected to cover the basics of the business, namely, value proposition, products and services, market analysis, competition analysis, funding requirements, capital structure, milestones and timelines, development and marketing plan, organizational structure, team, risk analysis and projected financials.
- Based on the documents submitted, the Business Plan will be screened by the Apex committee members for assessing the suitability of the proposal by expert members regarding its potential for incubation

* differs based on the category and revised time to time as per MoU

PERIOD OF INCUBATION AND EXIT (GRADUATION)

KSRCT TBI, by default, will allow a period of incubation of twelve months. This can be extended to eighteen months on approval from apex committee. After eighteen months, if the incubatees wishes, he/she can continue at inside the KSRCT TBI premises for six more months by paying non-subsidized running costs – this being subject to approval from Apex committee. After this period, the incubatees will be obliged to exit the incubator subjected to review by the Apex committee

The exit from the incubator can be classified into two distinct categories, namely normal and abnormal. The criteria for both types are listed below. While the listed criteria are sufficient, they are not necessary for exit.

Normal Exit

An incubatees would be considered to have had a normal exit when one or more of the following criteria are met:

- The predetermined time of incubation ends. According to this criterion, a normal exit can occur at the end of twelve, eighteen from the date of commencement of the incubation period.
- The incubatees has more than ten employees, including the incubatee himself/herself and any employees situated out of KSRCT as well.

- Either the incubatee or KSRCT incubation centres decides to end the period of incubation. For both situations, the party initiating the termination would provide the other with a **month** advance notice.

Abnormal Exit

An incubatee would be considered to have had an abnormal exit when one or more of the following criteria are met:

- There is failure on part of the incubatee to comply with any clause laid down in this document.
- For any breach of the covenants on the part of the incubatee(s) (including Registration Fee, Security deposit and other charges payable falling in arrears).
- Grounds, which TBI finds detrimental to its policies and objectives or unsatisfactory.
- If the incubatee has not registered his/her company at the time of admission to KSRCT Incubation Centres, or within four months from the date of commencement of the incubation period.
- Depending upon the assessment of the performance of the incubatee or his/her periodic report.

Under these conditions, the decision made by KSRCT TBI will be final and legally binding upon the incubatee and does not have to conform to the one-month termination notice mentioned earlier. The incubatee would have to forfeit part of or the full security deposit depending on how much time would have elapsed from the first day of incubation.

Performance Evaluation and Periodic Report

There would be periodic performance evaluation of the incubatee by KSRCT TBI every sixth month of the incubation period. This would be done by a committee selected by respective KSRCT Incubation Centre's consisting of members from within and outside KSRCT. The appraisal would consist of comparison of the achieved milestones against the business plan which is submitted by the incubatee on admission to the incubator. The committee may also reserve other criteria as it deems fit, to evaluate the performance of the incubatee.

KSRCT TBI reserves the right to terminate the incubation period of an incubatee, if his/her performance evaluation report is unsatisfactory.

The incubatee is obliged to submit a periodic report after every three months of incubation. This periodic report is to indicate to KSRCT Incubation Centre, changes of any nature in the incubatees organization, which would include recruitment of new employees and organizational changes, and a financial update of the organization. Incubatee companies have to submit their annual reports within a period of 7 days from the date of their approval.

Information Submission

Incubatee companies will submit information to KSRCT Incubation Centre about all material changes or developments taking place in their companies from time to time. Such information could be (but not limited to) change in name of the company, change in business or product profile, change in directors, promoters or shareholders, acquisition of a new office, additional equity or debt investments. KSRCT TBI may require incubatee companies to submit other information as it deems fit. Prior concurrence of KSRCT TBI should be obtained for effecting such changes.

Revenue sharing

KSRCT TBI shall have a stake in revenue generated by the incubatee for the services rendered to him. The service model proposed is revenue sharing (2.5%) with the prospective incubatees for a period of three years from the date of graduation.

Societal Commitment

Incubatees of KSRCT TBI have to continuously and actively partake in knowledge creation, value creation & wealth creation leading to more sustained business thereby more employment, contribution to GDP and nation building.

Legal Disclaimer
